Badger Docs – Java Versions

Oracle has just released a new version of Java that isn't backward compatible. This is the first time we seen this in 15+ years. Until Oracle fixes this the best thing to do is load Java 8.

Badger utilizes Java version 8. The best place to download it is from the link below.

http://www.oracle.com/technetwork/java/javase/downloads/jre8-downloads-2133155.html
